"The Time of His Life."

The Senior play given in Central hall last Friday evening attracted the usual immense gathering of people that always attend when local actors are on the stage.

The Junior and Senior plays are like magnets for our people, who are always interested in school work and are drawn to attend these special performances of the students.

The title of this play was "The Time of His Life," and nine of the Senior class impersonated the different characters, as was published in a recent issue of the Expositor.

Each one reflected great credit upon himself and the class.

Albert Pohl, as Mr. Grey, took the part well. His wife, Norma Wright, was a princely character and acted it to perfection.

Tom Carter, her brother, was the fellow who was having the time of his life, and, as impersonated by Selwyn Dodge, certainly showed peculiar aptitude for getting into all sorts of trouble.

Mrs. Peter Wycombe, a personage, was taken in a most excellent manner by Grace Watt, and her husband, Peter was great. His peculiar tendencies were acted out well by James Newell.

Hazel Wharton was a good one for the character of Dorothy and her father, of a peppy disposition, was represented by Percy Halland in a fitting way.

Uncle Tom, the colored butler, lent a tone to the scene and was well done by Lawrence Menery. The police officer who arrested the wrong Tom, was taken by Henry Hydorn.

Although the play was a good one and well acted and many favorable comments were heard.

The Seniors have a nice sum of money to their credit as a result of their labors.

PIANO RECITAL.

We had the pleasure of attending the piano recital presented on Monday evening in the Princess theatre by Florence Harrington and her pupils in music.

The program was made up of fifteen numbers, each one rendered in excellent manner and style and in the older ones a proficiency was readily noticed which showed that their training was received from one thoroughly capable and well versed in the art of musical knowledge.

The evening was much enjoyed by the large number of guests.

The great calamity in Omaha was quickly overshadowed by the terribly disastrous floods in Ohio. Great suffering and sickness from colds and exposure resulted. L. Poole, 2217 California street, Omaha, writes: "My daughter had a very severe cough and cold but Foley's Honey & Tar Compound knocked it out in no time." Refuse substitutes. Sold by Herb T. Hennessy.

Hot Weather is Coming

How Do You Take It?

We have known men who would rather swelter and fume than to change their apparel to suit the weather. Unless one works in an ice house it is well to dress by the thermometer.

Here are a few suggestions for men—(women know how to keep cool:)

White Negligee Shirts 50c, \$1 and up. Wash Neckwear, 25c. Sheer Silk Hose, black and colors. Athletic Underwear, sleeveless, legless, two-piece or union. Light Summer Suits. Tan or black Oxfords. Doesn't that sound cool.

The woman who does her own baking should enjoy it immensely. Baking is really a pleasure and the source of much satisfaction if the housewife has much confidence in her results. But the excellency of her baking depends almost entirely on the quality of the ingredients which she uses.

"Yale Pride" and "Belle"

are milled and blended especially for home use. They are "satisfactory flours" and the wife is sure of inviting bread and pastries when she uses them.
